

**ST DENYS CHURCH EVINGTON, BULLETIN Sunday
18th January 2026, 2nd Sunday of Epiphany, Week of
Prayer for Christian Unity**

*Readings for 10am: 1 Corinthians 1 vs 1-9; John 1 vs 29-42, 4pm:
Ezekiel 2 v 1—ch 3 v 4; Galatians 1 vs 11—end*

Happy New Year! As a family we have never really taken much notice of New Years Eve, the girls love to watch the fireworks on TV, but for me, New Year is just another day. Have you set any New Years resolutions, and if so, are you still sticking to them? I tend not to set any for the year ahead, but I do take the time to reflect on the previous year. It is helpful to be reminded of the good things and give thanks, but also to acknowledge the times that haven't been as good.

Over the last year I have felt God asking me to take stock, to spend time in his presence and be intent on watching, listening and noticing what's happening. I used to find it difficult to be still and rest, but since having knee replacements I have learned to slow down; this is particularly important during this time of Epiphany as we have just had the extremely busy and rewarding time of Advent and Christmas.

Whilst having some quiet moments in my garden this week, I noticed that one of the tulip bulbs I planted last year was starting to come up - a sign of new life! This made me reflect further on Advent and Christmas, and in particular our Crib and Christingle service which had over 90 people attend! It was our most attended service and is really something to celebrate and give thanks for!

Whilst talking to one of the mothers over coffee after the service, she spoke fondly of how her son was baptised at St Denys and how St Denys is "her church"; however, she also spoke about not feeling as though there were any regular services she felt comfortable bringing her children to.

This made me pray and reflect further, and wonder how we could nurture the seeds we have been given? I would encourage you to take time to reflect, notice the spring bulbs and, as you do so, pray for the children and families in our parish.

Finally, if you feel God has shared something with you - it could be a word, bible passage or image etc, we as a ministry team would be very grateful if you would share these with us, as they will help us as we continue to seek God's direction for St Denys. Thank you. **Kimberley**

Week of Prayer for Christian Unity (WPCU) takes place Sunday 18th—25th January. This year's theme is 'One Body, One Spirit.' The call to unity is a call to work for peace for all people, everywhere. This ecumenical celebration provides an opportunity to focus our prayers on Christian unity and to know that we are joining with international siblings in Christ. This year WPCU takes Ephesians 4 v 1-13 as its central text which includes the words "There is one body and one Spirit, just as you were called to the one hope of your calling." (Ephesians 4:4). The [World Council of Churches prayers and reflections for WPCU 2026](#) have been prepared by the faithful of the Armenian Apostolic (Orthodox) Church, along with their brothers and sisters of the Armenian Catholic and Evangelical Churches.

Each year, our partners [Christian Aid](#) provide the [Go and Do action points](#) for each of the daily reflections – linking into the important work of Christian Aid in the relief of poverty and advocacy of justice.

The Week of Prayer for Christian Unity 2026 extends an invitation to draw upon this shared Christian heritage and to reflect on our fellowship in Christ, which unites Christians worldwide. To find out more, Google 'Week of Prayer for Christian Unity' where you will find a fascinating You Tube video and further information.

Canon Matthew Bradbury will preside and preach at our said service of Book of Common Prayer Holy Communion at 10am on Thursday 22nd January followed by refreshments at the back of the church.

Bishop's Chaplaincy Lecture, given by Lord Alan Beith, former Deputy Leader of the Liberal Democratic Party, Wednesday 28th January, 5.30pm—8pm at St. Andrew's Church, Jarrom Street

Law lies at the heart of Christian and Jewish traditions, and underpins the British constitution itself. Yet today, critics call it 'rule by judges' and others argue that unjust laws need not be obeyed. In a world of shifting values and contested authority, does law still matter? Join us for the Bishop's Chaplaincy lecture, delivered by Lord Alan Beith, who will explore the place of law in public life, the tensions it now faces and why it continues to matter. The lecture will be followed by a question and answer session.

Friends, don't forget! I welcome contributions for the bulletin at any time, from anyone, which I will include when possible. Do you have a short poem, anecdote, christian message, story, event etc that you would like to share? Material will only be edited for reasons of space and spelling, if necessary. Do get in touch! Thank you. **Qyan**

Plus! I still need people to join the Reader and Intercessor rota. We are in particular, critically short of people to do the intercessions but need more readers too. Guidance will be given if necessary. Please contact me if you feel that you can be part of this ministry. **Qyan**
